Greetings Sutton Community Council,

I had intentions of attending the meeting tonight, but will be unable to make it. I have one of my children who is sick.

Below is a list of updates and upcoming events:

- We are awaiting test scores from the state. They have been delayed. I was expecting to share them with you at the meeting. I will let you know when they arrive.
- Numbers are a 55 total Sutton Elementary students
 - Our biggest class is K/1 at 26
 - I have actually had to put a student on a wait list who wants to attend here as a boundary exempt because we are getting so large
- Our participation in the after school programs continues to be strong
- Some highlights include
 - Our PTA sponsored Halloween carnival will be tomorrow, October 29th from 2-5 pm
 - We had a top 25 runner at the District XC meet
 - We have 10 basketball players (5 more than last year)
 - We have regular attendees in our HW Help and tutoring club
 - We have between 6-10 regular attendees of our art club
 - More when it is relocated to the public library
 - We kick off our LEGO program next week on Tues and Thurs until Christmas break
 - Coffee/Lunch with the principal will be Nov 10th (I will also do some basic volunteer/helper training at the lunch)
 - Breakfast with a loved one will be the last Wed before thanksgiving in the morning, Nov 25th

There are occasional hiccups, but things continue to run very well.

I will make arrangements to be there for the November meeting. I should have state results for test scores by then. ☺

Thanks,

JR
